- The head of the women wards of Farabi Hospital, 1998-Pesent.
- Scientific councilor of the IRIB of Kermanshah, 1994-Present.
- Scientific proficiency of the book publications of Kermanshah University of Medical Sciences, 2003-Present.
- Scientific expertise of the BEHBOOD the Scientific Quarterly Journal of the Kermanshah University of Medical Sciences and Health Services, 1998-Presnt.
- Director of Psychiatric faculty, Kermanshah University of Medical Sciences, Iran, 2009-2011.
- Member of Sleep Research Center, Kermanshah University of Medical Science, Iran, 2010.
- Member of Research Council of Behavioral Sciences Research Center, Kermanshah University of Medical Science, Iran, 2010.

### **Workshops:**

- Psychological and mental health workshops. Kermanshah University of Medical Sciences, 1994-1997.
- Consultation and mental health in AIDS. Kermanshah University of Medical Sciences, 1997.
- Workshop of Research method. Kermanshah University of Medical Sciences, 1998.
- Primary education of community oriented medicine. Kermanshah University of Medical Sciences, 1998.
- Workshop of medical writing. Kermanshah University of Medical Sciences, 1998.
- Workshop of primary teaching. Kermanshah University of Medical Sciences, 1998.
- Education of mental health and mental disorders. Kermanshah University of Medical Sciences, 1999.
- Health and safety in postmenopausal period. Kermanshah University of Medical Sciences, 1999.

- Workshop of clinical teaching. Kermanshah University of Medical Sciences, 2000.
- Mental health and safety of women. Kermanshah University of Medical Sciences, 2001.
- Principals of writing and publishing psychiatric papers. Iran University of Medical Sciences, 2001.
- Principals of writing and publishing medical papers. Kermanshah University of Medical Sciences, 2001.
- Writing and presenting medical papers in English. Kermanshah University of Medical Sciences, 2002.
- Approach to case workshop. Kermanshah University of Medical Sciences, 2002.
- Prevention and treatment of Addiction. Kermanshah University of Medical Sciences, 2002.
- Safety life in elderly. Kermanshah University of Medical Sciences, 2003.
- ICD-Diagnosis workshop. Kermanshah University of Medical Sciences, 2003.
- Approach to case workshop. Kermanshah University of Medical Sciences, 2003.
- Prevention and treatment of Addiction. Kermanshah University of Medical Sciences, 2003.
- Statistical methods (SPSS) workshop. Kermanshah University of Medical Sciences, 2004.
- Prevention and treatment of Addiction. Kermanshah University of Medical Sciences, 2004.
- Methods of question making and evaluation. Kermanshah University of Medical Sciences, 2005.
- Safety life in elderly. Kermanshah University of Medical Sciences, 2005.
- Prevention and treatment of Addiction. Kermanshah University of Medical Sciences, 2005-2010.
- Statistical methods (SPSS) workshop. Kermanshah University of Medical Sciences, 2006.
- How to make an oral presentation of biomedical research papers in English. Kermanshah University of Medical Sciences, 2008.
- Methods of question making for assistant residents exams. Kermanshah University of Medical Sciences, 2008.
- Workshop of medical writing. Kermanshah University of Medical Sciences, 2008.
- Developed workshop of evaluation of students and methods of question making. Kermanshah University of Medical Sciences, 2008.
- Workshop of modern methods of evaluation, Kermanshah University of Medical Sciences, 2009.

## **Teaching experiences**

- 1993-Present: Psychiatric courses for Medical students (Externs and Interns).
- 2007- Present: Psychiatric courses for Psychiatric assistant residents.
- 1993- Present: Psychiatric courses for nursing and obstetrical students.
- 2002- Present: Psychiatric courses for pharmacy students.

## **Membership:**

- Faculty member, Department of Psychiatry, Medical School, Kermanshah University of Medical Sciences, Iran, 1993-Present.
- Member of Research Council of School of Medicine, Kermanshah University of Medical Sciences, Iran, 2005-2006.
- Member of Scientific Association of Chronic Schizophrenia, Psychiatric faculty, Kermanshah University of Medical Sciences, Iran, 2007-Present.
- Member of Iranian Psychiatric Association of Iran, 1993-Present.
- Member of Iranian Psychiatric Association of Iran, Kermanshah Branch, 2007-Present.
- Member of Continues Educational Program for General Physicians, 2006-2007 .

## **Thesis:**

- Review of the signs and symptoms of schizophrenia. MD thesis, Mashhad University of Medical Sciences, Iran, 1986.
- A study on psychiatric disorders caused by parturition. Psychiatry thesis, Mashhad University of Medical Sciences, Iran, 1993.

## **Books:**

- Natt D, Argyropoulos S, Forshell S. Generalized Anxiety Disorder: Diagnosis, Treatment and its Relationship to Other Anxiety Disorders, Tatari F, 2003, Kermanshah University of Medical Sciences (translation)
- Tasman and Liberman. Psychiatric Drugs, Tatari F, 2003, Kermanshah University of Medical Sciences (translation)

- Sadock BJ, Sadock VA, Susman N. Psychopharmacology, Tatari F, Khazaie H, 2006, Kermanshah University of Medical Sciences (translation)
- Sadock BJ, Sadock VA, Ruiz P, Kaplan & Sadock's COMPREHENSIVE TEXTBOOK of PSYCHIATRY- section 14 Anxiety Disorders, Tatari F, Torkamani F, 2013, Kermanshah University of Medical Sciences (translation)

### **Thesis Supervision:**

- The study of the frequencies of the delusional disorders in patients hospitalized in Farabi Hospital. 1994, Kermanshah University of Medical Sciences.
- A research on clinical symptoms in 100 cases of chronic Schizophrenia in Farabi Hospital. 1995, Kermanshah University of Medical Sciences.
- The study of early adverse effects of ECT in hospitalized patients in Farabi Hospital in 1996. 1997, Kermanshah University of Medical Sciences.
- The comparison of the roles of environmental stressors in mania in patients hospitalized in Farabi Hospital. 1996, Kermanshah University of Medical Sciences.
- The epidemiologic review of probable backgrounds for addiction tendency in patients of different ages in Farabi Hospital. 1998, Kermanshah University of Medical Sciences.
- A study of the frequencies of psychiatric disorders in patients with opium dependency in Farabi Hospital. 1998, Kermanshah University of Medical Sciences.
- The review of the 100 interviews with suicidal patients hospitalized in Farabi Hospital and in burning and poisoning wards of Imam Khomeini Hospital to determine the etiologies of suicide. 1998, Kermanshah University of Medical Sciences.
- The review of occupational status of opium addicts hospitalized in Farabi Hospital. 1998, Kermanshah University of Medical Sciences.
- The comparison of depression rates between the staffs of Psychiatric ward of Farabi Hospital and the staffs of Ophthalmologic, ENT, and Internal wards of Imam Khomeini Hospital. 1999, Kermanshah University of Medical Sciences.
- The study of the types and frequencies of the conversion disorders in patients referred and hospitalized in Farabi Hospital. 1999, Kermanshah University of Medical Sciences.
- The review of the frequencies of the psychiatric disorders in war wounded patients referred to the Farabi Hospital. 2000, Kermanshah University of Medical Sciences.

- The epidemiologic review of the psychiatric disorders caused by criminal acts in patients referred to the Kermanshah Forensic Medicine Center. 2001, Kermanshah University of Medical Sciences.
- Epidemiology of depression based on Beck Test in diabetic patients referred to Diabetic Research Center, 2001, Kermanshah University of Medical Sciences.
- The epidemiologic study of post-partum mental disorders and the comparison of frequencies based on the delivery routs in Farabi Hospital, 2001, Kermanshah University of Medical Sciences
- The comparison of the results of Beck Depression Scale between the fresh and final medical students in Kermanshah. 2001, Kermanshah University of Medical Sciences.
- The evaluation of the stressful states in patients with peptic ulcers referred to the Imam Khomeini and Taleghani Hospitals of Kermanshah. 2001, Kermanshah University of Medical Sciences.
- The study of the IQ of chronic Schizophrenic patients hospitalized in Farabi Hospital using Riven intelligence test. 2002, Kermanshah University of Medical Sciences.
- The frequencies of adjustment disorders in old age patients referred to Farabi Hospital. 2002, Kermanshah University of Medical Sciences.
- The sero-epidemiologic study of hepatitis B and C in opium dependent patients referred to the Farabi Hospital during 200 0to2002. 2002, Kermanshah University of Medical Sciences.
- The study of the types and contents of delusions in Schizophrenic patients in Farabi Hospital. Kermanshah University of Medical Sciences.
- The study of the efficacy of fluoxetine and imipramine in patients with depression. 2003, Kermanshah University of Medical Sciences.
- The study of the frequencies of psychiatric disorders in patients with headache referred to Farabi Hospital. 2003, Kermanshah University of Medical Sciences.
- The review of the severity of anxiety in patients with trichotillomania referred to Haj-Daii Clinic. 2004, Kermanshah University of Medical Sciences.
- The study of the age frequencies of relapse in patients under naltrexone maintenance treatment referred to the Rehabilitation Center of Kermanshah. 2004, Kermanshah University of Medical Sciences.
- The frequencies of buprenorphin dependency in opium dependent patients referred to Farabi Hospital during 2003 to2005. 2005, Kermanshah University of Medical Sciences.
- The study of the knowledge of the primary school teachers about ADHD. Kermanshah, 2006, Kermanshah University of Medical Sciences.
- The epidemiologic review of buprenorphin consumers. 2006, Kermanshah University of Medical Sciences.

- The comparative review of the frequencies of depression between reproductive and postmenopausal women. 2007, Kermanshah University of Medical Sciences.
- The comparison of anxiety and related factors between students of ordinary and intelligent girl's high schools of Kermanshah. 2007, Kermanshah University of Medical Sciences.
- The study of the efficacy of pre-school educations in social growth of the primary first-grade students of Kermanshah. 2007, Kermanshah University of Medical Sciences.
- The study of the frequencies and severities endogen depression in girl's high schools of Kermanshah. 2007, Kermanshah University of Medical Sciences.
- Investigation the effect of trazodone on erectile dysfunction in patients on methadone maintenance therapy 2009-2010, Kermanshah University of Medical Sciences.
- The review of frequencies, types and severity of stuttering in patients referred to Farabi Hospital. Kermanshah University of Medical Sciences, 2009-2010.
- The study of the patterns of the stress coping in the substance-dependent patients referred to Farabi Hospital. Kermanshah University of Medical Sciences, 2009-2010.
- The review of the frequencies of convulsions in tramadol-abusers. Kermanshah University of Medical Sciences, 2009-2010.
- The survey of affluence of post ECT delirium in under-treatment patients of Farabi Hospital. Kermanshah University of Medical Sciences, 2011.
- Efficacy of adding risperidone to fluoxetine in patients with obsessive-compulsive disorder. Kermanshah University of Medical Sciences, 2012.
- A comparative study of aggression level in PTSD patient with and without substances Misuse. Kermanshah University of Medical Sciences, 2012-2013.
