Members of scientific committee of national congress on nosocomial infection. November, 2010, Kermanshah, Iran.

Head of Midwifery department in Kermanshah nursing and midwifery school from 20May, 2018 until now

- Executive Secretary of 5 conferences in Kermanshah University of Medical Sciences.

- Scientific Secretary of 6 conferences in Kermanshah University of Medical Sciences.
- Manager of Midwifery students' final committee in Kermanshah school of Nursing and Midwifery
- Research manager of Kermanshah school of Nursing and Midwifery
- Activity & member of University Committee of neonate resuscitation
- Activity & member of committee of breastfeeding
- Activity & member of research in education committee of EDC
- Activity & member of research in education committee of EDO
- Activity & member of lesson programming committee of EDO
- Activity & member of Research Council in Kermanshah University of Medical Sciences

Teaching Experiences:

Many workshop and conference for midwives as a presenter :

- Lecture in 30 continuing education program for nursing-midwifery personnel in Kermanshah University of Medical Sciences.
- Lecture in 20 breastfeeding workshop in Kermanshah University of Medical Sciences.
- Teaching “obstetric”, 1,2,3 and 4 for midwifery students in Kermanshah University of Medical Sciences.
- Teaching “child Maternal health” for midwifery students in Kermanshah University of Medical Sciences.
- Teaching “ Ethics & Regulation in Midwifery” for midwifery students in Kermanshah University of Medical Sciences.
- Teaching “child & maternal health “1 and 2 for Nursing student in Kermanshah University of Medical Sciences.
- Teaching “family planning” for pharmacy and paramedical students in Kermanshah University of Medical Sciences.
- Teaching “ Management in midwifery” for midwifery students in Kermanshah University of Medical Sciences.
- Teaching “counseling in menopause”, “counseling in family planning”, “management of health systems”, “communication skills”, “professional ethics” for master of counseling midwifery students in Kermanshah University of Medical Sciences.
- Training as a clinical education and apprenticeship in wards and clinics of “ labor, delivery, obstetrics, emergency, child & maternal health, Gynecology for Midwifery students.

Faculty Teaching Experiences:

Bachelors' degree

ObstetricsI

ObstetricsII

ObstetricsIII

ObstetricsIV

Mother & infant health

Gynecology

Midwifery Management

Ethics and regulations of midwifery

Reproductive health

Master degree

professional Ethics

Communication skills1

Communication skills2

Menopause consultation

Family Planning consultation

Consultation on specific problems of midwifery

Management in health systems
