

The First Semester of Medical International Students

Basic science

The name of course	Credit	Code
Introduction to Anatomy	2.5	11102
Anatomy of Muscular skeletal (Theory)	1.8	11256
Anatomy of Muscular skeletal (Practical)	0.6	11257
Cell Physiology	0.8	11105
Cell and molecular biochemistry (Theory)	1.9	11241
Cell and molecular biochemistry (Practical)	0.4	11242
General English language	3	11512
Medical Ethics 1	0.5	11112
Physical Sport 1	1	11503
Islamic Thought	2	11533
Persian Composition	2	19606
Education of Persian language	3	19615
Total	19.3	

The Second Semester of Medical International Students

Basic science

The name of course	Credit	Code
Anatomy of Cardiovascular system (Theory)	1	11231
Anatomy of Cardiovascular system (Practical)	0.5	11236
Physiology of Heart	0.5	11247
Physiology of Blood circulation	1.1	11250
Physiology of Respiration	0.6	11248
Physiology of gastrointestinal	0.6	11251
Anatomy of Respiration (Theory and Practical)	0.7	11114
Anatomy of gastrointestinal (Theory)	1.5	11237
Anatomy of gastrointestinal (Practical)	0.5	11238
Discipline biochemistry (Theory)	1.3	11243
Discipline biochemistry (Practical)	0.4	11244
Medical Ethics 2	0.5	11120
Specialized English language 1	3	111015
Social and political Rights in Islam	2	10002
Theory of Bacteriology	2.4	11245
Practical of Bacteriology	0.6	11546
Medical immunology	2	11124
Total	19.2	

The Third Semester of Medical International Students

Basic science

The name of course	Credit	Code
Physiology of Endocrine system and reproduction	1.2	11253
Physiology of Blood	0.3	11252
Physiology of the urinary system	0.7	11254
Biochemistry of urinary system	0.2	11127
Anatomy of Endocrine (Theory and Practical)	0.4	11177
Anatomy of Genitourinary (Theory and Practical)	1.1	11136
Hormones biochemistry	0.7	11174
Principle of the health service	1.5	11106
Specialized English language 2	3	11016
Medical Ethics 3	0.5	11132
Family and population planning	2	11514
Physical Sport 2	1	11504
Persian literature	3	11510
Medical of virology	1	11135
Medical of parasitology(Theory and Practical)	2	11183
Mycology (Theory and Practical)	1	11184
Total	19.6	

The fourth Semester of Medical International Students**Basic science**

The name of course	Credit	Code
General pathology and cell damage	0.5	11126
Anatomy of head and neck (Theory)	1.2	11233
Anatomy of head and neck (Practical)	0.5	11234
Anatomy of nervous system (Theory)	1.5	11239
Anatomy of nervous system (Practical)	0.4	11240
Anatomy of special sense	0.9	11131
Physiology of the special sense (Theory)	1.4	11249
Medical Ethics 4	0.5	11175
Inflammation and repair, hemodynamic disorders pathology	0.6	11177
Pathology of human Immunology Disorders	0.5	11178
Pathology of neoplasia	0.6	11179
Pathology of genetic disorder and childhood disease	0.5	11180
Pathology of environmental, nutritional and infectious disease	0.4	11181
Practical pathology	1	11182
Islamic Revolution of Iran	2	11537
The principle of epidemiology	2	11122
Practical of physiology	0.8	11255
Philosophy of ethics	0.2	10001
psychology of health	2	11123
Total	19/3
