

Curriculum Vitae
Dr Leeba Rezaie

Personal History:

- Birth: 1968.02.3, Kermanshah, Iran
- Marital Status: Single
- Address: Farabi Hospital, Department of Psychiatry, Kermanshah University of Medical Sciences, Dolatabad Blvd, PO box: 6719851151, Kermanshah, Iran.
- Phone: +98-918-83364414 (Cell Phone)
- +98-831-8260827 (Home)
- Email: Leeba-Rezaie@kums.ac.ir- rezaie.phd.ot@gmail.com-

Leeba Rezaie associate professor of occupational therapy currently works at sleep disorders research center of, Kermanshah University of Medical Sciences (KUMS). Leeba does research in sleep disorders (insomnia), suicide prevention (self-immolation), psychiatric disorders, (psychiatric rehabilitation) and adherence to treatment. Leeba does mostly research by qualitative approach.

Educations:

- BSc in Occupational Therapy, Rehabilitation school, Iran university, Tehran, Iran, 1987-1991
- MSc in Occupational Therapy, Rehabilitation school, Iran university, Tehran, Iran, 1992-1994
- PhD of Occupational Therapy, University of Social Welfare and Rehabilitation sciences, Tehran, Iran, 2010- 2013

Honors and Awards:

- First Rank of BSc student Rehabilitation school, Iran university, Tehran, Iran, 1991
- Second Rank of MSc student Rehabilitation school, Iran university, Tehran, Iran, 1994
- Award as the Best Talk in Third Iranian congress of Occupational Therapy, Tehran, Iran, 1994
- Awards as the Best Annual Researcher of Kermanshah University of Medical Sciences, 2010
- Awards as the Best Annual Researcher of Kermanshah University of Medical Sciences, 2011
- Awards as the Best Annual Researcher of Kermanshah University of Medical Sciences, 2012
- Awards as the Best Annual Researcher of Kermanshah University of Medical Sciences, 2013
- Award as the best talk in 4th Iranian congress of cultural and social psychiatry, 2015
- Awards as the Best Annual Researcher of Kermanshah University of Medical Sciences, 2018

Clinical Experience:

- Clinical Work as Occupational Therapist in Kermanshah Farabi Hospital psychiatry ward.(1992-2009)
- Clinical work as chief Occupational therapist in Kermanshah Farabi Hospital psychiatry wards 2014- present.
- Chief member of journal club of psychiatry department of Kermanshah University of Medical Sciences, Iran, 2014- present.

Professional Appointments and membership:

- Head of Occupational Therapy Department , Farabi Hospital, Kermanshah University of Medical Sciences, Iran, 1992- 2010
- Member of Sleep Research Center, Kermanshah University of MedicalSciences, Iran, 2006-Present.

- Member of Scientific Committee of 15th Iranian congress of Occupational Therapy, Tehran, Iran, 2011
- Member of Scientific Committee of 18th Iranian congress of Occupational Therapy, Tehran, Iran, 2013
- Member of Scientific Committee of 19th Iranian congress of Occupational Therapy, Tehran, Iran, 2014

Current Research Interest: Suicides, occupational therapy in mental disorders, sleep Disorders

Workshops:

- Prevention from addiction workshop , Kermanshah University of Medical Sciences, Iran, 2000
- Life skills workshop, Kermanshah University of Medical Sciences, Iran, 2006
- Communication skills workshop, Kermanshah University of Medical Sciences, Iran, 2006
- Crisis intervention workshop, Kermanshah University of Medical Sciences, Iran, 2006
- Stress management workshop, Kermanshah University of Medical Sciences, Iran, 2000
- Crisis intervention workshop, Kermanshah University of Medical Sciences, Iran, 2005
- Preliminary research methodology workshop, Kermanshah University of Medical Sciences, Iran, 2006
- Women health workshop, Yazd University of medical sciences, Iran, 2000
- Research methodology workshop, University of Social Welfare and Rehabilitation Sciences, Tehran, Iran, 2010
- Advanced statistic workshop, University of Social Welfare and Rehabilitation Sciences, Tehran, Iran, 2010
- Early intervention in NICU I workshop, University of Social Welfare and Rehabilitation Sciences, Tehran, Iran, 2010

- Early intervention in NICU II workshop, University of Social Welfare and Rehabilitation Sciences, Tehran, Iran, 2011
- Biofeedback workshop , University of Social Welfare and Rehabilitation Sciences, Tehran, Iran, 2011
- Course of empowerment of young faculty members of Kermanshah University of Medical Sciences, Iran, 2014- present.

Teaching experience:

- Principal of Rehabilitation, Occupational Therapy, Play Therapy, Activity of daily living, Psychosocial Occupational Therapy to students of Kermanshah Health school, Kermanshah faculty Applied Center, and Tehran University of Social Welfare and Rehabilitation, 2000-present
- Rehabilitation principles for general health students of Health school of Kermanshah University of Medical sciences, Kermanshah, Iran. 2014- Present.

Thesis:

- Survey on families difficulties in care giving from schizophrenic patients who referred to Farabi hospital, MSc thesis, Rehabilitation school, Iran university, Tehran, Iran, 1994
- Exploration of the process of attempting suicide from occupational therapy perspective. PhD thesis.

Books:

- Kimberly Yonkers, Bertis B Little, Management of Psychiatric Disorders in Pregnancy, **Rezaie.L**, Assareh M, 2006, Kermanshah University of Medical Sciences [translation].
- Alex Kolevezon, Danil J Stewart, Psychiatry Pearls, **Rezaie. L**, Khazaie.H, 2009, Kermanshah University of Medical Sciences [translation].

Thesis consultation for medical students:

- A survey on risk factors for suicide in patients who referred to Kermanshah Imam Khomeini hospital. 2005. Kermanshah University of Medical Sciences.
- A survey on effect of chronic partial sleep deprivation on Prefrontal lobe function in Kermanshah medical residents.2007. Kermanshah University of Medical Sciences.
- A survey on efficacy of designed method for objective diagnosis of enuresis, 2007. Kermanshah University of Medical Sciences
- Epidemiologic study of addiction in patients with major depression who admitted in Farabi hospital. 2002. Kermanshah University of Medical Sciences
- A survey on efficacy of drugs intervention on sleep in third trimester of pregnancy. 2007. Kermanshah University of Medical Sciences.
- Epidemiologic study of psychiatric disorders in mentally retarded children. 2002. Kermanshah University of Medical Sciences. 2002. Kermanshah University of Medical Sciences.
- Epidemiologic study of who referred to psychiatric commission.2003. Kermanshah University of Medical Sciences.
- Epidemiologic study of patients with conversion disorder depression who admitted in Farabi hospital. 2005. Kermanshah University of Medical Sciences
- Study of dream content in schizophrenic patients. 2007. Kermanshah University of Medical Sciences.
- Comparison study of sleep disorders in smokers and nonsmokers.2009. Kermanshah University of Medical Sciences
- Comparison study of olanzapine and risperidone efficacy in paradoxical insomnia treatment. 2008. Kermanshah University of Medical Sciences
- Epidemiological study of anxiety disorders in patients who admitted to Farabi hospital. 2002. Kermanshah University of Medical Sciences
- Epidemiological study of panic disorder in who admitted to Farabi hospital. 2002. Kermanshah University of Medical Sciences
- Epidemiological study of suicide in patients who referred to Kermanshah Imam Khomeini hospital. 2005. Kermanshah University of Medical Sciences.

- A survey on sleep disorders in war induced post traumatic stress disorders who referred to Farabi hospital. 2007. Kermanshah University of Medical Sciences
- Exploration of the reasons for dropping out of psychotherapy in Kermanshah Iran. 2015
- Comparative study of sleep quality in patients with positive and negative symptoms of schizophrenia. 2016
- The comparative study of personality characteristics among patients with paradoxical insomnia, and other types of primary insomnia. 2016
